

Facilities

The Bluefield Parks and Recreation is made up of four main facilities and 12 community parks. The facilities in this community provide family adventures and health opportunities for all ages.

Check out our facilities below!

City Park

We are currently in the process of remodeling the main restrooms at the city park beside shelter #1. This remodel could run through the end of May. City Park is the host to many adventurous days for friends and family in the Bluefield Community. The park has plenty of green space...
